**What is not covered?**

CMV shall not be liable for any commercial loss or damages, incidental, direct, or consequential, arising out of the use or failure of any part of your ironer. This warranty does not cover parts damaged in transit. Implied warranties are limited in duration to one year from date of shipment. This warranty only covers the original purchaser. Some states and countries do not allow the exclusion of incidental and consequential damages or the limitation on how long an implied warranty lasts. Therefore, the above limitations and exclusions may not apply to you.

**How do state and foreign laws apply?**

This warranty gives you specific legal rights. You may also have other rights, which vary from state to state and country to country.

**NOTE:** Any external connections hooked up to a CMV Ironer will automatically void all warranties.
